1. It has been decided to reduce the number of prisoners employed in the uranium mines in northern Bohemia so as to ensure that no more than 40 percent of the labor force there will be made up of prisoners.
2. Following a general medical examination of all prisoners, those judged to be physically weakest were sent to Rosice (050/N30) in Moravia, where they will be employed in the coal mines. A number of prisoners was also sent to the coal mines at Oslovany (050/S29). The prisoners, mostly political offenders, will be accommodated at the prison at Mirov (P50/N57) which is situated near the mines.
